Hades as Court Evidence

One day, in a Utopian Future, astrology may be used as evidence, in court or otherwise, to prove or disprove controversial claims. Our Transneptunian Hades has such a potential – as it has much to do with illicit, illegal, secretive dark activities of all kinds.

HADES & SEX & MONEY: Heidi Fleiss – “The Hollywood Madam to the Stars”

In 1993 she was charged with running a lucrative high class prostitution business, with wealthy celebrities as clients. Her father, a physician in his proper job, helped her cover up the money from that business. Before and after that highly publicized event she was personally involved with prostitution, drugs, and criminal charges.

HADES & SEX & DRUGS: Charlee Sheen

Famous Hollywood and TV actor who was one of Fleiss's clients. He was the only one of her clients whose name was revealed as his Traveler's Checks were found in her purse at the time of her arrest. His regular chart does not clearly reveal the rest of the problems that plagued him: Drugs, alcohol, physical abuse of three wives, parties with and living with porn stars.

Guilty: The Urania System shows it all in stark relief
Aries=Hades=Sun .mp. Venus

The Aries point acts as a Personal Point, like an Ascendant, as well as how one connects with the public and the world.
